

Welcome to the Warsash Theatre Club Newsletter (4)

**URGENT  
HELP  
NEEDED!!!!**

Does anyone know of any potential storage possibilities big enough to hold sets and also to act as a workshop. We are in desperate need of new premises. If you know of any cheap deals on portacabins or any double garages please can you let any committee member know ASAP

**PANTO**

Rehearsals for 'Babes in the Woods' are well under way with a strict rehearsal schedule in place. We are pleased to have secured the talents of Sam Norris as our new musical director and hope he really enjoys the experience. We are also pleased that Julia Bevis has once again agreed to be prompt for Panto and I am sure she is hoping not to be too busy on each evening!

We remind you yet again that all spare paint will be gratefully received. Please bring it along to rehearsal and we will take it off your hands!

Your support is requested as always for the behind scenes part of panto and we will let you know what opportunities there are nearer the time. However please can I ask that you start collecting gifts for the Tombola as soon as you can as if the success of the spring

production Tombola is anything to go by we need LOTS of prizes. (Bottles of wine always a winner!)

*Just a little reminder of the Strawberry Fields Festival 2006 - We are such a photogenic, fun-loving lot!!! Dont you think??!*

**MURDER MYSTERY**

*For those of you who haven't got tickets yet we have VERY few left so contact Moyra (01489 573350) now if you want to come along (before it is too late!). It is promising to be an eventful evening and you are sure to find some of our members in roles never seen before!. So hurry up and make the call!!*

**CLUB SOCIALS**

**Unfortunately the cost of hiring callers has prevented us from running our barn dance, however we are actively looking to run a social evening sometime in November so will advise when decisions/locations have been made so watch this space...**

**Don't forget to keep up to date with what's going on on our Website [www.warsashtheatreclub .co.uk](http://www.warsashtheatreclub.co.uk)**
