Aladdin... Aladdin... Aladdin

It's round to Panto '07 planning time again and this years production will be Aladdin. Casting for the Panto is to take a slightly different format this year, in that Anne will be looking to

YOUTH PRODUCTION

Despite some excellent work from a number of our Youth section in planning their on-stage production (Stacey in particular), it has been decided that the event will have to be postponed, due in main to GCSE commitments! The good news is however, that the planned evening, which will be coupled with a Quiz, will now take place in September (date tbc)

cast certain roles without auditions (where it is clear that one person ideally fits a role), but all other main parts will be auditioned for.

Attached to this Newsletter is a brief giving details and a profile of all parts in Aladdin, which will help you to decide which part you may be interested in.

Firstly, Anne needs to know who is interested in being on stage in the Panto, so please contact her by next Saturday 9 June to express your interest (01489 574501 or email aandmford@btinternet.com).

Auditions and casting will take place during June, with a plan to do a complete read through of the script by all involved, on Thursday 5 July. Main rehearsals will then start in early September.

Before committing yourself, please ensure that you will be available on the following key dates;

Sun 18 November (rehearsal - Victory Hall)

Sun 25 November (rehearsal - Victory Hall)

Tues, Thurs 27, 29 November (rehearsal - Salterns Club)

Tues 4 December (technical rehearsal - Victory Hall)

Wed 5 December (dress rehearsal - Victory Hall)

Thurs, Fri, Sat 6, 7, 8 December (performance dates - Victory Hall)

Once again, I know that we will all have a great time rehearsing for and presenting our Panto, Aladdin.

We will be again running our very popular tombola at the Panto, so may I ask that you all look to providing a prize or 2 (need not be expensive but should be something that you would like to win). It's never too soon, so we are starting collecting now. How about bringing something along to the auditions or read through?
