Welcome to the Warsash Theatre Club Newsletter

'ALLO 'ALLO

Important Notice for all cast members of 'Allo 'Allo - if you will be in uniform you will need to attend a costume fitting on Saturday 17th May in Southsea. We will meet at the Ferryman at 10am and lifts can be provided if necessary. Please can you contact Lin if you can't make it or are unsure if you are needed!

Rehearsals are well under way and those involved seem to be enjoying the experience! Tickets are on sale now and selling well, so if you haven't bought any yet then get to Lin Dodd as soon as possible as

STRAWBERRY FIELDS

The local bi-annual fayre in Warsash is on again this July 5th and after a very strong stall /performance from the theatre club two years ago we have agreed to take 2 pitches again this year. This event is as much a PR exercise as a profit maker and everyone is welcome to take part in some form or other. If you are interested in being involved in either a sub-committee to organise events, or just want to dress up on the day and take part please can you let Peter Murphy know as soon as possible.

she is running out already! Just a reminder this production is advance booking only due to the catering requirements!

Top quality raffle prizes are requested for this production so if you can offer a desirable prize please let a committee member know as soon as possible. Due to the nature of the production and space restrictions it was agreed a raffle for a few quality prizes (even better if a French theme!) would be better than a tombola so if you can donate goods or services (or a bottle of wine!) let us know!

PANTOMIME

After 11 years as pantomime director Anne Ford has decided to take a well earned break this year and as such we need a new director for this years panto. The role of director is quite an onerous task and the club would like to thank Anne for her dedication over the years and who knows we might see her treading the boards herself again this year! Interest has been expressed by one member already, and if you are interested and have a pantomime in mind please let Peter or myself know as soon as possible. It was agreed by the committee that all productions should have an assistant director as well as director to reduce the stress one person. So if you are interested in either role let us know!

Contact Details

With quite a few new club members the committee thought it might be useful to issue a list of committee members and their principal functions and contact details so here you go! The roles mentioned are only principal ones, if you are unsure who to contact give any of us a call and we will point you in the right direction.
