PRODUCTIONS 2009

Get ahead! To try to keep momentum and give enough planning time we would like to agree next years productions as soon as possible... this will also enable to advertise in our programme for panto!

So If anyone has any **ideas, burning desires to direct or suggest a**

production for either Spring (provisional dates are 4th 5th and 6th June) or for **next years Panto** please can they let any committee member know before **18th November**. It will then be **decided by the committee on 19th November!** The more options the better so get thinking!!!!

Cry for Help!!

Calling all adult members, we are REALLY pushed to finish set painting before panto so it's all hands required ...we will be down the 'new' lock up on Saturday 8th, 15th, and 22nd November from 10am onwards... even if you can just spare a few hours it will be appreciated and you just might get a cuppa thrown in!!!!

Darts Night at Salterns

As part of their fundraising The Salterns are holding a darts night on Saturday 29th November. If you would like to be part of a WTC team please let Dave Newbury know ASAP

SALTERN CLUB

The Saltern club which we use for all our rehearsals is having a tough time and needs to boost their membership. It is important for us as a club to support them and as such if anyone would like to consider being a member of the club please let any of the committee know. If you join Salterns you automatically belong to any CIA club across the country and you get a discount on any functions you attend.
