

**Welcome to the Warsash Theatre Club Newsletter (2)**

**Spring  
Productions**

Both the youth and adult rehearsals are well under way and it looks like all three plays will make a great night's entertainment. The sets have been planned and painted over the last few weekends and are ready for transport to the Victory Hall for set build Sunday 14th May. Any volunteers with a screwdriver willing to help on that day will be very welcome.

**HELP PLEASE – We need donations of tombola prizes, the more the better. Please bring along to rehearsals and pass to any committee member.**

Can you lend a hand back stage? We need some muscle each evening to help change over the sets. It is not a huge task but will be done a lot more efficiently with a team of people. If any parents of the youth section would be willing to help out even for one evening please contact Ian Hardwick on 01489583804 ianhardwick670@btinternet.com

**SELL SELL

**Warsash Festival  
Volunteers please!!!!**

*The club has taken a pitch at the bi-annual Warsash Festival at the Strawberry Fields on Saturday 1st July. We need volunteers to help us man a few stalls and we need some of the youth members to volunteer to be 'Human Hoopla' pegs through out the day. There will be Hook a duck/face painting and bran tubs to man as well. The more volunteers we have the better as it means we can all take turns to help. This is*

*a big fund raising event for the club and all help will be appreciated. We will also be staging a sketch every hour so if you want a laugh come along. Lin will also be persuading all helpers to 'dress up'.*

**PANTOMIME 2006**

As you will remember from the last Newsletter this year's pantomime is "BABES IN THE WOOD". This is the first time we have done this one although we have done Robin Hood and the story is very similar as you can see.

*"The wicked Sheriff of Nottingham is planning horrible deeds including robbing the poor and poisoning his niece and nephew - the Babes of the title - so he can inherit their fortune. However, Robin Hood and his Merry Men have other plans, not least the rescue of Maid Marian, despite the interference of the wicked witch, Nausea Nightshade. And a mysterious Stranger saves the day when it seems Nausea might triumph. Colourful characters, such as the madcap Nurse Nitwit and the slapstick duo Mole and Wart ensure plenty of laughs for all ages."*

The readings will take place in June and if any of our younger youth members are interested in the parts of the Babes, auditions for these 2 parts alone will take place on:

**Tuesday 20th and Thursday 29th June at 7.00pm sharp**

Auditions for all other parts will take place as follows:

Thursday 22nd June	8.00pm
Tuesday 27th June	8.00pm
Thursday 29th June	8.00pm

I will aim to have scripts available prior to these dates so if any of you would like to audition please let me know so that I can make a copy available to you. If you cannot make any of the above auditions but are interested in taking part please let me know as soon as possible.
